

## INSTRUCTIONS

1. Start by painting 3 coats of Beachcomber to the face and ears.
2. Next, paint 3 coats of Mocha Java to the hair and eyebrows.
3. Paint the collar and the gloves with 3 coats of Gecko Green.
4. To paint the hat, we used a liner brush and did a random pattern of Turquoise, Gecko Green, Red Head, and Pretty In Pink. We did 2 heavy coats on each stripe.
5. Next, fill in the rest of the body with 3 coats of Red Head.
6. We are going to use a liner brush to paint one coat of Red Head to the mouth.
7. Finally we will paint in the eyes, with 3 coats of Turquoise, 2 coats of Licorice to the pupil, and then highlight with a dot of Snowflake.

## TIPS

- 3 coats of paint will give you nice solid colors.
- The harder you press on the liner brush the heavier the lines will be.
